PLAYING IT FORWARD MAKE A DIFFERENCE WEEK

Ending a week-long sports boots drive and Halloween, our community collected and donated 50 pairs of soccer cleats and sneakers to CEPIA Costa Rica in December.

A HUGE THANKS to all for your giveback and the Laguna Veterans team for transporting the donation down to the Guanacaste Province.

"This is a historic moment for our club that really dates back to 10 years of hard work. Our UPSL team is driven by homegrown developed youth players with 10 different age groups represented between the 2010-2002 birth years, bringing our current top youth players and our alumni together to achieve this goal. To be part of such a historic cup and have our name in that hat for the real first round is proud for our whole community."
